

The Spirit of Faith Never Quits!

The day you were born again, you were incorporated into the family of God according to John 1:12. All the benefits wrought by Jesus Christ were awarded to you. You gain access to the Kingdom of God by faith in His word. That is why the Bible says in Hebrews 11:6, without Faith we cannot please God. Well, let me ask you this question, "Do you believe that what he has promised in His Word, He will bring it to pass? If you do, then you also have to believe Jeremiah 29: 11-13 that says " For I know the thoughts that I think towards you, saith the Lord, thoughts of peace, and not evil, to give you an expected end. Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And you shall seek me and find me, when ye shall search for me with all your heart. John 15:7 says "If you abide in me and my words abide in you then you shall ask what ye desire and it shall be given unto you". It is in the presence of the Lord; you get direction, wisdom or even the answers to the things you desire. ***One Word from the Spirit of God can change the course of your life forever!*** My husband and I were recently talking about the story in Luke chapter 5 where Jesus stood by Lake Gennesaret and got into Simon's (Peter's) boat. Peter had toiled all night long and caught nothing. Then Jesus came along and told him to launch out in the deep and to let down his nets for a draught (big catch). According to Jesus' instruction to Peter, there are two important commands he gave to Peter. *Launch out into the deep* and *let down your nets*. It was as important for Peter to launch out into the deep, as it was for him to let the nets sink down in order to receive maximum results. Many of us stop at just going to church on Sundays, maybe even at giving of our tithes and offerings but never seek the Lord further. Peter put up a protest and tried to tell Jesus what he had *already* done but had no success....

Sounds familiar? We try everything that we can think of to make things work but to no avail as Peter did. I am here to encourage you not to wash your nets just yet, don't give up. Seek and understand the whole counsel of God. Stay in His presence till you know what next He wants for you to do and then DO IT. God has a right now Word for you *but it lies in your time with Him*.

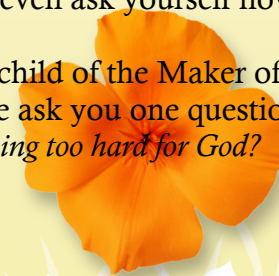

In the last newsletter, Patrick mentioned that there was great wealth in the presence of God. I am here to urge you to get into the presence of God and gather what he has for you and your family.

When we have tried all that we know, we think that what we have done is all that *can* be done, but my friend I need to tell you something... **There Is More! When you and I get into the presence of the Maker of Heaven and Earth, we have instant access to the One Who Has All Knowledge. Press in and remain in his presence until you attain what He has for you!** He knows what you don't and He sees what you can't! Don't quit! Don't give up! There's more! In His presence, He will reveal to you what to do, and how to manage your circumstances. In Proverbs 8:15 we see that by Wisdoms guidance kings reign, princes and judges rule. Skillful and godly wisdom comes from God, we read this in James 1:5 where God says that if any man lacks wisdom, let him ask of God who giveth liberally and upbraideth not.

What you have in your hand may not look like much, but if you present it to God and ask Him how to manage it, He will guide you into great things and you will even ask yourself how you made it through!

Remember, you are a child of the Maker of heaven and earth! Let me ask you one question in closing.... *is there anything too hard for God?*

Mission Updates

Kenya Bible Training Center (KBTC)

Pastor Kenny Baker and I (Patrick) have just returned from Africa where we ministered to the KBTC students. We had a great time in the Word and the Spirit of God. Many students received answers to their prayers and new direction for the ministries. Pastor Kenny Baker taught on the Fruit of the Spirit and it was awesome! Healing Testimonies

Many pastors received healing. One lady was healed of deafness in her right ear. Another Pastor from Tanzania was healed of kidney problems. He said that this condition caused him to go to the bathroom every two hours but when Pastor Ken prayed for him, he was completely healed. Another Lady (pastor) had a finger, which had a dead nerve. The doctors had told her that there was nothing they could do but as we agreed in prayer she was healed. Read more testimonies online.

Church Outreaches

All of the MCM churches are doing great. Pastor Angelo, will be travelling back to Congo this April during the KBTC's semester break for ten days to pursue the registration of the MCM churches there. From Congo, he will travel to Tanzania for four days for church seminars and crusades.

Thank you so much partners

We want to take this opportunity to thank you for your continuous support to this ministry. Among other outreaches, your monthly support helps us to take the gospel of Jesus Christ to the nations of Africa through the church leadership training. The pastors that have been trained through KBTC are encouraged and grateful for what the Lord is doing in their ministries through your support.
